- oral presentation preference	507	414	620	577	620
- specific poster presentation	84	102	170	178	180
Workshops	39	45	82	68	73

2. Information on countries submitting for single abstracts

56 countries have submitted abstracts:

Country	No.subm	Country	No.subm
Albania	6	Lebanon	1
Algeria	2	Lithuania	20
Armenia	8	Luxembourg	2
Australia	1	Macedonia	8
Austria	19	Malta	16
Belgium	21	Nepal	1
Bosnia and Herzegovina	3	Netherlands	73
Bulgaria	13	Nigeria	2
Canada	9	Norway	25
Croatia	16	Pakistan	2
Cyprus	3	Poland	21

Czech Republic	4	Portugal	26
Denmark	28	Qatar	1
Estonia	3	Romania	22
Finland	54	Russia	9
France	13	Saudi Arabia	1
Georgia	2	Serbia (Republic of)	13
Germany	38	Slovakia	15
Greece	10	Slovenia	3
Hungary	4	Spain	20
India	2	Sweden	58
Ireland	3	Switzerland	7
Israel	1	Taiwan	1
Italy	96	Thailand	2
Japan	2	Turkey	17
Korea, South	1	United Kingdom	61
Kyrgyzstan	2	United States	6
Latvia	2	Vietnam	3

3. Information on abstracts per topic (indicated preference)

Themes	theme 1	theme 2	total
2nd pre-conference Integrating the patient's perspective	23	1	24
Child and adolescent public health	94	0	94

4. Workshops

Total number of workshops submitted: 73

Country	Numbws	Country	Numbws
Austria	2	Italy	4
Belgium	3	Malta	7
Denmark	6	Netherlands	19
Finland	2	Slovakia	2
France	2	Spain	3
Germany	3	Sweden	3
Hungary	3	United Kingdom	10
Ireland	1	United States	1
Israel	2		

5. International Scientific Committee

The International Scientific Committee 2012 consisted of 51 experts from 21 countries. Of these 41 scored the abstracts, 3 excused themselves and 7 did not score. The ISC was chaired by Julian Mamo.

6. Information on the scoring

On average, each abstract was scored by 7.1 scorers, each workshop by 6.8 scorers.

The average score of single presentations was 3.364. The highest score was 4.750, the lowest 1.250.

The average score of workshops was 3.227. The highest score was 4.833, the lowest 1.429.

7. Information on available time and space

Reserved time in the programme for oral sessions	5 times 90 minutes
Rooms available	13 rooms
Total rooms available	65 rooms

These can be filled with sessions of 6 single presentations (parallel session) or one workshop.

Reserved time in the programme for poster sessions	3 times 60 minutes
Space available	20
Total poster sessions	60

These are filled with 8 single presentations.

8. June decisional meeting

The decisional meeting was organised on Saturday 9 June 2012, where the three organisers - EUPHA, ASPHER and the Maltese Association of Public Health Medicine - decided on cut-off points for workshops, oral presentations and moderated poster presentations. The following decisions were taken:

Workshops: cut-off point: average score of 3.500

Oral presentations: cut-off point: average score of 3.667, standard deviation maximum 0.500

Moderated poster presentations: cut-off point: average score of 2.857
