Thursday 2nd Nov

9:00-10:30, Room K14

EUPHA IDC section - Workshop: Vaccinating Europe: challenges old and new

Chairpersons: Michael Edelstein - United Kingdom, Maria Ganczak - Poland

The global vaccine hesitancy landscape
Pauline Patterson - United Kingdom

The ECDC role in strengthening the evidence base to address vaccine hesitancy
Karam Adel - Sweden

Changing attitudes to childhood immunisation in English parents
Joanne Yarwood - United Kingdom

Measles in Arges county, Romania, 2017
Adrian Stoica - Romania

Addressing HPV vaccine hesitancy in Denmark
Bolette Soborg - Denmark
14:25-15:25, Room K14

Oral presentations: Infectious diseases and vaccines

Chairperson: Michael Edelstein - United Kingdom

Acute gastroenteritis and prevalence of noroviruses in Ontario, CA - 2009-2014
Stephanie L Hughes - Canada

Hepatitis A: Epidemiologic trends and subgroup analysis of Regional Surveillance in Italy, 2002-2016
Angelo D’ambrosio - Italy

Influenza vaccine coverage trends among targeted groups from 2006 to 2015, in France
Aurélie Bocquier - France

Human papillomavirus infection and vaccination: attitudes and practices among pediatricians in Italy
Italo Francesco Angelillo - Italy

Vaccine hesitancy: old defeat or new challenge for public health? A survey on pregnant women in Rome
Azzurra Massimi - Italy
16:05-17:05, Room K14

Oral presentations: Innovative approaches to address AMR

Chairperson: Gunter Pfaff - Germany

Assessment of WHO immunologic criteria for identifying ART treatment failure in low-income settings
Emilia Riggi - Italy

Community antibiotic prescribing for RTIs in Malta: 1-year trend and associated influencing factors
Erika Anne-Marie Saliba Gustafsson - Sweden

Overall and second-line antibiotic use in the community in Israel - a call for action
Michal Krieger - Israel

Antimicrobial stewardship in a primary care setting
Valentina Chiesa - Italy

Four years of a Regional Antimicrobial Stewardship project: analysis of antibiotic consumption
Antonio Madia - Italy
Poster walk
14:25-15:25, T foyer

Poster walk: Infectious diseases in Europe and worldwide

Chairperson: Gunter Pfaff - Germany

Poster displays
8:30-17:00

Posters on infectious diseases
Friday 3rd Nov

8:30-9:30, Room K14

Oral presentations: Infectious diseases: planning and timing of interventions

Chairpersons: Aura Timen - EUPHA (IDC), Anna Odone - Italy

The optimal timing of HCV therapy in liver transplant: cost and effectiveness of new opportunities
Paolo Angelo Cortesi - Italy

Using HTA to lead decision on the use of adjuvanted trivalent inactivated influenza vaccine in Italy
Chiara de Waure - EUPHA (HTA)

Direct observation of hand hygiene compliance among healthcare workers in a teaching hospital of Rome
Valentina Baccolini - Italy

A telehealth method for directly observed therapy in TB patients of Auckland, New Zealand
Nick Eichler - New Zealand

Immunogenicity and safety of the multicomponent meningococcal B vaccine (4CMenB): a meta-analysis
Lamberto Manzoli - Italy
11:10-12:10, Room K14

Pitch presentations: Immunization in a changing Europe

**Chairpersons:** Carlo Signorelli - Italy, Jo Mccarthy - United Kingdom

**A measles outbreak in the London Borough of Hammersmith and Fulham, September–November 2016**
Neha Shah - United Kingdom

**Response to a booster dose after primary HBV immunization: Preliminary results**
Rosa Papadopoli - Italy

**Determinants for anti-meningococcal vaccination during extraordinary and optional campaign in Italy**
Samuele Rivolta - Italy

**Measles control strategies in health care setting: lessons from an outbreak in Rome, Italy 2017**
Caterina Bianchi - Italy

**Coverage and influencing determinants of influenza vaccination in elderly patients in Poland**
Maria Ganczak - Poland

**Is the on site flu vaccination among health care workers effective? A Italian teaching hospital case**
Andrea Barbara - Italy

**Identifying elderly with low vaccine uptake using social deprivation indices: a systematic review**
Vladimir Vukovic - Italy

**Attitudes towards vaccinations in the National Immunization Program among parents in Sweden 2016**
Emma Byström - Sweden
12:10-13:40, Room K12

**EUPHA (IDC)- Infectious diseases control: Join the network**

EUPHA Sections are theme-specific networks that organise workshops and projects together. EUPHA Pillars are concerned with general aspects of public health. All EUPHA Sections and Pillars are inviting you to Join the Network and attend their annual meeting. These meetings are open to all delegates so feel free to join the network.

14:50-15:50, Room K11

**Late breaker: To care or not to care: health systems under pressure**

**Chairpersons:** Dineke Zeegers Paget - EUPHA, Marta Lomazzi - Switzerland

**After Obamacare: where does the US stand?**
Scott Greer - United States

**The National Health Service in the UK**
John Middleton - United Kingdom

**Discussion**
Walter Ricciardi - Italy
16:20-17:50, Room K14

ECDC, EUPHA (IDC), RIVM - Workshop: Storytelling - A powerful tool for infectious disease prevention

Chairpersons: Karl Ekdahl - ECDC, Aura Timen - EUPHA (IDC)

Storytelling makes public health statistics more accessible
Martine Bouman - Netherlands

Introduction of new vaccines: How can storytelling help?
Kari Johansen - ECDC

Film and video as ‘evidence’ in a post-fact society
Clarissa Simas - United Kingdom
Saturday 4th Nov
8:30-10:00, Room K14

EUPHA (IDC), ECDC, EUPHA (ENV) - Workshop: Climate change and mosquito-borne diseases: from A(edes) to Z(ika) and more!

Chairpersons: Aura Timen - EUPHA (IDC), Karl Ekdahl - ECDC

Vectors of mosquito-borne viruses and their control in Europe
Jan Lundström - Sweden

Climate change and other key drivers of mosquito-borne disease emergence
Jan Semenza - Sweden

Preparedness for mosquito-borne diseases in Europe: the ECDC perspective
Jonathan Suk - Sweden

Public health policies to adapt to climate change and changes in infectious diseases patterns
Peter van den Hazel - EUPHA (ENV)
10:10-11:10, Room K14

Pitch presentations: Infectious diseases

Chairpersons: Karl Ekdahl - ECDC, Richard Othieno - United Kingdom

Retrospective cohort study of lost to follow up predictors among TB patients in Yerevan, Armenia
Serine Sahakyan - Armenia

Meningococcal outbreak, cluster and hyperendemic: are we using the same language?
Tea Burmaz - Italy

Detection and evaluation of chronic hepatitis B and C patients who were lost to medical follow up
Kirsten Wevers - Netherlands

Interventions and approaches to integrating HIV and mental health services: a systematic review
Fiona Chuah - Singapore

Cluster of acute flaccid paralysis in children following enterovirus D68 infection in Scotland
Amir Kirolos - United Kingdom

Infectious disease screening in asylum-seekers: range, coverage and economic evaluation in Germany
Kayvan Bozorgmehr - Germany

Ten years of microbiological surveillance on endoscopes
Gianmarco Troiano - Italy
Saturday 4th Nov
14:10-15:10, K1, K2

Plenary: Preparing communities for public health emergencies

Organised by: ECDC, EUPHA Section on Infectious diseases control

Moderators:
Karl Ekdahl, ECDC and Aura Timen, President EUPHA Section on Infectious diseases control

Speakers/panellists:
Margareta Wahlström, former Special Representative of the U.N. Secretary-General for Disaster Risk Reduction, Sweden

Dominique Monnet, Antimicrobial Resistance & Healthcare-Associated Infections (ARHAI) Programme, ECDC

Jaap van Dissel, Centre for Infectious Disease Control, National Institute for Public Health and the Environment (RIVM), The Netherlands

Qudsia Huda, World Health Organization, Switzerland
