

## Presenter instructions EPH Conference Stockholm 2017

### Oral presentations

In the programme, there are 44 oral sessions of 60 minutes. The oral presentations are **8 minutes, which may not be exceeded**. There are a maximum of 5 presentations in each oral session.

**IMPORTANT: Your slides are needed by 15 October in order to create a full oral session.**

#### Your slides:

- For 8 minutes of presentation, you can prepare around 8 (maximum 10) slides including the introduction and end slide.
- Please don't forget to take an extra copy of your presentation to Stockholm (USB-stick and/or send it to your Gmail/your Hotmail address).
- Be sure that the PowerPoint slides have the same layout all way through.
- Observe that the content on each slide is not too detailed.
- The possibilities of animations are numerous. Please do not exaggerate.
- Graphs and figures are often better than tables at an oral presentation. Flow charts are very appropriate to describe material.
- If you wish to add films or other sorts of interactive materials, please include these in the presentation (do not access them through internet, as this may not work to your satisfaction) and inform the conference office beforehand.

#### Technical information:

- An uploading system is used for all presentations for Stockholm 2017.
- Please upload your file as a PowerPoint file, which must not exceed **15 Mb** in size.
- Every room is equipped with a (digital) screen.
- If you have a small last minute change, you can use the laptop available in the room. Please make sure you are in your break out room as early as possible!
- Bigger break out rooms (more than 60 people) have 1 extra hand held microphone.
- Technical assistance is available. For the plenary room, technicians are permanently available. For the smaller rooms, there is approx. one technician per 4 rooms. Your room attendant can assist you as well.

### Workshop presentations

In the programme, there are 76 workshops. Workshops are either 60 or 90 minutes. Workshop presentations can either be uploaded or sent to the organiser, whom can bring them on a USB-stick to the session. Please contact the organiser of the workshop to check whether you need to upload or send the presentation to the organizer, and how long this it should be (max. number of slides). If you are uploading a presentation for a workshop, please follow the instructions for **oral presentations**.

**IMPORTANT: Please make arrangements with your workshop organiser with regard to your presentation.**

## Pitch Presentations

In the programme, there are 40 pitch sessions, filled with a maximum of 8 presentations. Pitch presentations are oral presentations of 5 minutes, there will be 8 pitches of each 5 minutes in one pitch session and 20 minutes left for questions.

**IMPORTANT: Your slides are needed by 15 October in order to create a full pitch session.**

### Your slides:

- For pitch presentations, the conference has a maximum of 5 slides (including introduction and end slides!). Please note that if you have more slides, the presentation will not be validated.
- Please don't forget to take an extra copy of your presentation to Stockholm (USB-stick and/or send it to your Gmail/your Hotmail address).
- Be sure that the PowerPoint slides have the same layout all way through.
- Observe that the content on each slide is not too detailed.
- Avoid showing big tables ('busy slides') and then ask people just to concentrate on a small part of the table. Prepare the results specific for your presentation.
- Graphs and figures are often better than tables at an oral presentation. Flow charts are very appropriate to describe material.
- Films and other interactive material are not possible.

## E-Poster presentations (poster walks and poster displays)

At the Stockholm 2017 Conference posters will be displayed electronically on 55" TV LED screens. There will be moderated poster walks and poster displays. Poster walks (20 in total) are for posters selected through the abstract submission process and are presented during moderated poster walks in parallel sessions of 60 minutes. Display posters are grouped according to public health topic and displayed on TV screens without moderation. All posters are available for delegates to view at all times during the conference and are located in the Gallery.

**IMPORTANT: Your poster is needed by 15 October in order to create a full poster session.**

### Your poster:

Here are some tips on how to prepare your poster:

- Have a catchy heading with big text (at least 48 pitch)

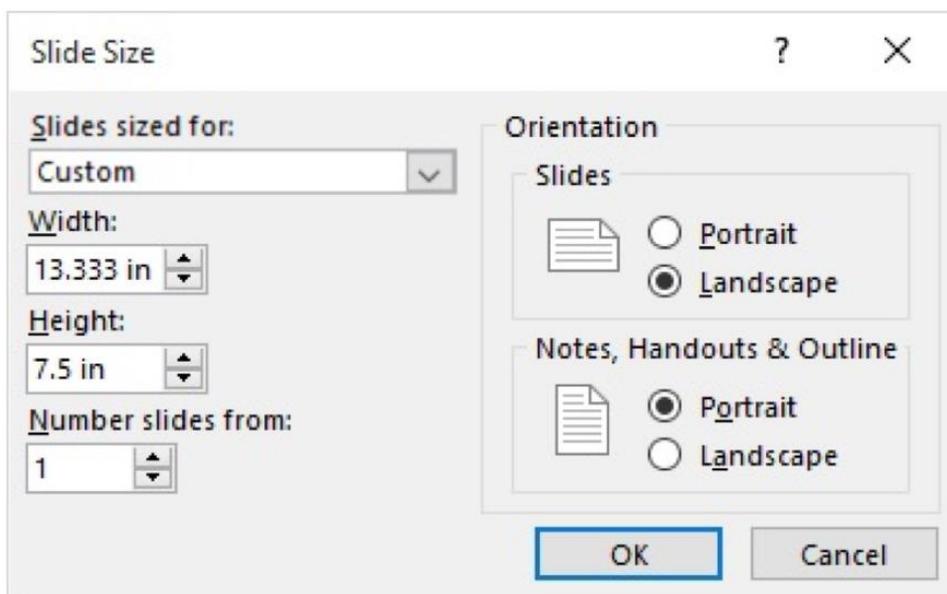

- Bring the conclusion up front in the poster and present it as 'bullets'.
- Avoid long sentences, but try to make all your text messages in bullets.
- Avoid detailed tables, but try to illustrate your results in graphs and flow charts.
- Use at least pitch 24 throughout the text and numbers, as it should be possible to read the whole poster on some meters distance.
- Colours can be used to stress certain sections, but do not exaggerate.

#### Technical information:

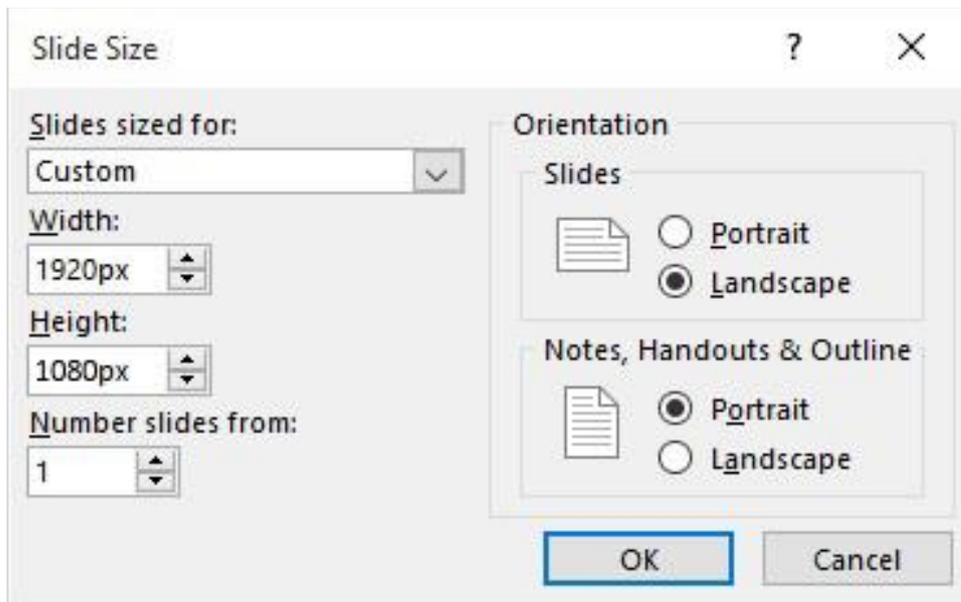

- An uploading system is used for all posters for Stockholm 2017.
- Posters will be displayed on a 55" TV Led screen in **LANDSCAPE** (not portrait as previous years).
- Max Resolution should be 1920x1080 pixels or any other 16:9 aspect ratio.
- Please upload your poster as **PDF file** (not as PowerPoint file) with a maximum of **3MB**.
