

14TH EUROPEAN PUBLIC HEALTH CONFERENCE
10 – 12 NOVEMBER 2021
VIRTUAL EDITION

PUBLIC HEALTH FUTURES IN A CHANGING WORLD

PLENARY SESSION: THE DIGITAL HEALTH ERA – BEYOND THE
COVID-19 PANDEMIC

Digitalization is permeating all aspects of society, how can be it employed to sustain the public health goals of quality, accessibility, efficiency and equity in health care and prevention now and beyond the COVID-19 pandemic? In this session jointly presented by WHO and EUPHA, we examine the extent to which technology is contributing positively or negatively to strengthening the resilience of health systems and empowering individuals and communities.

Moderators: **Natasha Azzopardi Muscat**, Director Country Health Systems and Policies, WHO Regional Office for Europe and **Anna Odone**, President EUPHA Digital health section, Professor Public Health, University of Pavia, Italy.

Date: Friday 12 November: 10:10 – 11:10 CET. Organized by WHO Regional Office for Europe EUPHA Digital health section.

PLENARY PROGRAMME

In the plenary programme we examine current and pressing challenges affecting the future of our discipline:

- **Public health practice, training and workforces for the future.** *Organised by European Observatory on Health Systems and Policies, ASPHER and EUPHA Health workforce research section*
- **Learning from the pandemic and getting ready for the next one.** *Organised by European Commission, EUPHA*
- **Communications and public health.** *Organised by EUPHA*
- **Climate change, justice and public health – a triple role.** *Organised by EuroHealthNet*

ABSTRACT SUBMISSION RESULTS

We received over 1,600 abstracts for single presentation and 150 workshop proposals. These are currently being reviewed by the 120 experts of our International Scientific Committee. The results will be communicated around 15 June so keep an eye on your mailbox, and your spambox. Accepted abstracts are published in the Abstract Supplement of the *European Journal of Public Health*. From 15 June until 10 July, you can amend your abstract before it is being processed for publication. Presenters of abstracts are required to register for the conference before 10 July. More information on our [website](#).

REGISTRATION

You can benefit from early bird registration fees until 1 September. We are expecting over 1,500 delegates to attend the virtual edition. Meet your colleagues during three conference days at the largest public health event in Europe. Registration fees for the virtual edition have been substantially reduced: EUPHA members pay €210 before 1 September, non-members €270, Students, trainees and colleagues from low- and middle-income countries only €140 (all including VAT). More information [here](#)

PROGRAMME

As with in-person EPH Conferences, the virtual edition includes a vast programme with more than 150 parallel sessions (workshops and oral sessions) and twenty E-poster sessions. All sessions will be 60 minutes and live streamed through the virtual platform. All sessions will be recorded for delegates to view at a later stage. There will be network sessions to meet your colleagues. EUPHA Sections are organizing their annual Join-the-Network meetings and pre-conferences.

PRE-CONFERENCES

Pre-conferences are held on Wednesday 10 November from 9:00 – 12:40. Sessions will be moderated live with interaction through chat and Q&A. The full programme will be announced by 15 June. Registration for pre-conference is mandatory and can be added to your existing registration at all times. Registration fees are €50 (inclusive of VAT).
