

## Programme

### Fifth meeting of the WHO Regional Director's Advisory Council on Innovation for Noncommunicable Diseases:

### Fostering a Public Health Movement to Accelerate Action on Noncommunicable Diseases

November 9, 2022, Berlin

#### Objectives:

- To hold the first face to face meeting of the NCD Advisory Council in the margins of the EUPHA conference
- To bring EUPHA and Signature Initiative leads together to leverage one another's capacities and further efforts to control and prevent NCDs in line with the NCD Advisory Council Roadmap.

#### Outputs:

- To promote and mobilise the EUPHA community in support of the SDG NCD agenda.
- To develop a joint plan between EUPHA and the Signature Initiatives in support of the NCD Advisory Council's Reducing NCDs: A Signature Roadmap for Europe.
- To outline EUPHA's potential contribution towards the road to the NCD areas for discussion at the UNGA 2025 focusing on Europe's role in delivering this.
